

TECHNICAL SOLUTIONS

# Planning & Scheduling Services

## for STO, Capital Projects, and Maintenance Events

Our dedicated team of planners and schedulers ensure efficient project execution by identifying tasks, resources, and timelines while prioritizing maintenance, inspections, and safety.

We collaborate across departments to optimize workforce efficiency, manage material procurement, and ensure projects are completed on time and to specifications. From developing job plans, estimates, and procedures to tracking progress and providing real-time updates, our team establishes clear expectations, maintains schedule accuracy, and delivers seamless results. No matter the challenge, you can rely on our team to step up and deliver with precision and commitment.

**Our planners take on critical roles that directly influence the successful execution of services, ensuring precision and efficiency throughout.**

#### **PLANNING SERVICES:**

- Comprehensive Planning
- Coordination & Efficiency
- Material & Equipment Management
- Contractor & Vendor Oversight
- Safety Focus

**Our schedulers play a vital role in setting clear timeframe expectations, tracking progress, and ensuring every phase remains on schedule.**

#### **SCHEDULING SERVICES:**
