

## Hammond, LA

UPS Main Parts Warehouse

**24,000 SQFT**

Parts Warehouse

**8.5 ACRE**

Facility

Universal Plant Services has acquired a significant inventory of more than **50,000 new, reconditioned, and core parts**, now available at our Hammond Warehouse. This includes **36 truckloads of IR KVR/KVS and KVG components**, as well as compatible parts for lean burn **IR Legacy Integrals**.

### NEW & RECONDITIONED PARTS

- Clark
- Cooper Bessemer
- Ingersol Rand
- Worthington

*and more are now available!*

We also stock a wide selection of **auxiliary parts** to support seamless integration with other IR systems—providing flexible, efficient solutions for both Integral and Separable compression applications.
